

# NUMBERS

A remainder of the meter

$\left(\frac{3}{4}\right)$

Group of 7 notes

$\text{---} 7 \text{---} | (7)$

A number followed by a dot indicates the bar number

38.

Tempo (metronome indication)

$(\text{♩} = 64) \quad | (\text{♩} = 64)$

The notes are played one octave down

$\text{♩} \quad \text{♩} \quad \text{♩}$

Approximate contents of the bar

$\left[\frac{12}{8}\right]$

Meter plus half beat

$\frac{4}{4} \frac{1}{2}$

Meter plus quart

$\frac{2}{4} \quad \frac{1}{4}$

In this example, the beat is around 60

$(\text{♩} = \pm 60)$

Contents for pulsations

$\text{---} 7 \text{---}$

# HARMONICS

Played on the left side of the right place of this harmonic (gives more "noise" than a clear sound)

$\text{---} \text{---} \text{---}$

Played on the right side of the right place of this harmonic (gives more "noise" than a clear sound)

$\text{---} \text{---} \text{---}$
